## Quote

KD 16 Βραχέα σοφῶ **τύχη** παρεμπίπτει, τὰ δὲ μέγιστα καὶ κυριώτατα ὁ λογισμὸς διώκηκε καὶ κατὰ τὸν συνεχῆ χρόνον τοῦ βίου διοικεῖ καὶ διοικῆσει.

KD 16 **Chance** steals only a bit into the life of a wise person: for throughout the complete span of his life the greatest and most important matters have been, are, and will be directed by the power of reason. (Saint-Andre translation)
