

Hypotheticals: Would An Epicurean Hook Himself Up To An "Experience Machine" or a "Pleasure Machine"?

Post by "Cassius" of March 23, 2020 at 10:57 AM

Following up with Elli, in regard to machines, someone can say that there is a 'specification/blueprint' by which all machines of a particular kind are intended to be manufactured, and in that sense a particular machine as created by men can deviate from the specification/blueprint.

But with Nature and humans, a "specification/blueprint" is **exactly what does NOT, and CANNOT (given our understanding of the Nature of the universe), exist!**
