

Cross (Gary W.) - "Exploring the Way of Epicurus: His Destination, Directions and Strategies"

Post by "Charles" of April 13, 2020 at 8:09 PM

Just a side note the author has also written other books in his series of "The Way of X". The bias or inclination he holds is rather obvious.

They consist of:

"Exploring the Way of Lao Tzu"

"Exploring the Way of Epictetus"

"Exploring the Way of Jesus"

"The Way of the Stoic Epictetus"

"Exploring the Way of the Buddha"

"The Way of Sophia"
