

Responding to the Arguments Against Pleasure In Cicero's "On Ends" Book 2

Post by "Maciej" of February 3, 2018 at 2:06 PM

The active functioning of mind focusing on not being in pain certainly can be described as absence of pain.

Gosling and Taylor are on my reading list. But now I am delighted in reading Polish translation of Logic by Gassendi. And next will be Life and Doctrine of Epicurus by the same author.
