

# **Dimitriadis (Haris) - "Epicurus And The Pleasant Life"**

**Post by "Cassius" of May 25, 2020 at 10:19 AM**

That's great Don. I posted that link because Martin tells me he has read it and is ready to post his comments. I think it is also possible that Haris is working on a second edition, so if you get to read it and comment then I am sure that would be helpful to Haris, as I will be sure he knows about the comments. But don't let it sidetrack you too long from DeWitt 😊
