

Dimitriadis (Haris) - "Epicurus And The Pleasant Life"

Post by "Don" of May 25, 2020 at 10:43 AM

[Quote from Cassius](#)

But don't let it sidetrack you too long from DeWitt 😊

LOL 😊 I have actually been reading and highlighting DeWitt. I just haven't had a chance to post my thoughts on the book here yet... And I keep getting sidetracked by his excellent articles!

Thanks for reminding us of Dimitriadis's book. It fell off my radar. Having your positive review of his work has sparked my curiosity!
