Thanks for the detailed review Martin! I have a question about one of your comments:

Quote

Epicurus denied truthfulness of dreams under the aspect that they create fear in the letter to his mother.

I'm not familiar with this. This might be a stupid question, but what is the letter to his mother and where is it found? Truthfulness or non-truthfulness of dreams is an intriguing topic to which I haven't given much thought; I'd like to follow this up.
