

# Welcome Camotero!

**Post by “Cassius” of June 13, 2020 at 4:32 PM**

As another example, I regularly regret that the ancient Epicureans had to face the decline and fall of their civilization to Christianity, but I try to budget the time I spend on that to a minimum since unless I am able to build a time machine before I die, there is precious little I can do about it! 😊
