

Engraved / Laser-Cut Wall Artwork

Post by “Godfrey” of July 5, 2020 at 1:25 PM

Hi [Elli](#) Elli, I'll see what I can do. I won't be at my computer for a few hours but at the very least I can indicate the floaters in the stl files and also show them on a jpg. Not sure if I can convert to AI or EPS so I'll look into that at that time.
