

Wax Ring Carving—Second Attempt

Post by “Joshua” of July 8, 2020 at 10:21 PM

The detail carving has proven to be quite the reality check! 😊

I do want to keep trying, but the wall-art thread has me thinking that maybe my focus should be on rendering a really solid profile, and then shopping it around to custom ring makers.

Here are a few links to show what's available on that route;
