

Background and Analysis: "Roman Poets of the Republic" by William Sellar (1881)

Post by "Don" of July 9, 2020 at 8:41 AM

We don't have an image of the actual manuscript but a transliteration of several pages. but the file is too big to upload. The Google Drive link is above are end in my previous post. If you can upload it somehow [Cassius](#) from that link, I'll delete the link. (Always a little uneasy about linking directly to my drive).
