

# References to Epicurus' Attitude Toward The "Place of the Sciences And Liberal Arts"

**Post by "Cassius" of July 26, 2020 at 9:00 AM**

Thank you Don. As you think about it more, also please comment on what got you on this train of thought in the first place. I know in this instance I started the thread myself, but this comes up regularly so it would be interesting to know what passage or text or whatever led you to have a concern about the issue.
