Joshua is there any way you can post the text that you expect to cover, as well as a link to the full poem. I am embarrassed to say I have not re-read the full poem and I need to do that. I can't recall what the poem says about dreams and there are lots of implications of that issue. I need to get up to speed as soon as I can with potential issues in response to be sure to cover. [Don](#) and [Godfrey](#) and others - are you familiar with the poem?
