

Statues of Epicurus and the Founders of the Epicurean School

Post by "Cassius" of August 4, 2020 at 10:42 AM

Please do Philos. My wife speaks German and I have been meaning to get her help on this but if you go first I will let you do the first test. The price and size makes it sound like a very good value.

I currently have a bust of Epicurus that seems to be made of similar material that I got off eBay years ago, and now I am wondering if mine originally came from there.
