

Where Is Epicurus In The "School of Athens"?

Post by "Cassius" of August 6, 2020 at 12:10 PM

It's interesting that after more than three years we finally get a discussion going on this topic! This is what "forum" software is good for - asynchronous discussion! I particularly hope that now that we have called this to [michelepinto](#) 's attention he will keep the question in mind, as being from Italy he probably is uniquely position to raise this question every so often with people who are in a position to have some really keen insight into the question.
