

General Discussion of Arguments Against Pleasure As the Goal / Good / Guide Prior to Epicurus)

Post by “Cassius” of March 1, 2018 at 7:51 AM

As the arguments are developed we can split each argument out into a separate thread, marked with its point of origin (e.g. Plato, [Philebus](#)....) to be followed by discussion of each argument. Therefore in this General thread, please suggest particular arguments and sources so that they can be organized by topic.
