

Episode Thirty-One - Continuation of Episode Thirty / Polyaenus

Post by "Cassius" of August 9, 2020 at 10:35 AM

Don I have good news and bad news:

(1) The bad news is that we were down TWO panelists today, so we have deferred talking about the color of the atoms until next week.

(2) The good news is that Martin and I decided to devote a lot of attention to your and Godfrey's post on the "Polyaenus question" so you should enjoy listening to that!
