

Pleasure over truth

Post by “Don” of September 16, 2020 at 12:15 PM

[Lucian](#) is an interesting author including being called the first sci-fi author. Since he was writing satire, we need to interpret his works carefully. It's sometimes hard to tell when he's reflecting reality, expanding on stereotypes, turning things upside down.

It's been awhile since I read him but this was a good reminder!
