

Is [X] a waste of time?

THIS is what I think, one thousand times over! 😊

Quote

On the other hand, we **denounce with righteous indignation and dislike** men who are so beguiled and demoralized by the charms of the pleasure of the moment, so blinded by desire, that they cannot foresee the pain and trouble that are bound to ensue; and **equal blame** belongs to those who fail in their duty through **weakness of will, which is the same as saying through shrinking from toil and pain.**

AMEN TORQUATUS! 😊

Again - I think the anger should not really be directed as much as those who by mistake make errors in these calculations, but at the commentators who take Epicurus and turn Epicurus into an **advocate** for this kind of degeneracy. They aren't acting on stupidity or "weakness of will," they are acting on the conscious choice to embrace corruption!
