

Episode Two - The Achievement of Epicurus

Post by “Joshua” of October 3, 2020 at 9:13 PM

That's an excellent question, Susan! He is a translator in his own right, as well as the most recent editor of Rouse's translation.

Here is his translation available on Amazon;

<https://www.amazon.com/Nature-Things-Lucretius/dp/0872205878>

It was published in 1969, and Professor Smith is still alive. So the text is not in the public domain—unless he's made arrangements that I wouldn't know about.
