

# **Episode Thirty-Nine - The Mind And Spirit Are Not Supernatural But Parts of A Man Just Like The Head and Foot**

**Post by "Cassius" of October 9, 2020 at 7:41 PM**

Episode 39 of the Lucretius Today Podcast is now available. Today's episode is from Book Three, and focuses on the "mind" and "spirit" as parts of the body just like the hand or feet. This text includes discussion of the Greek theory of "harmony" and contains some difficult material that will take several episodes to sort through. As always we invite your comments and suggestions.
