

# The Dangers of Misdirected Increase of Knowledge

Post by "Don" of October 13, 2020 at 7:57 AM

Speaking of Lucian: <https://www.bbc.co.uk/programmes/b0910n6s>

Just discovered and listened to Natalie Haynes Stands Up for the Classics and this episode extolling the importance of Lucian. She doesn't mention his Epicureanism but it's obviously a fan of Lucian. Enjoyable light-hearted romp through classical history.
