

# Reverence and Awe In Epicurean Philosophy

**Post by “Cassius” of October 25, 2020 at 12:05 PM**

Susan made her last post while I was posting mine. I'm myself going to refrain from simply "liking" each post in this chain as that would end up being meaningless as there is a lot of complexity being discussed. I am hoping Susan can help us focus on particular passages that seem especially relevant to the direction she is thinking so that we can evaluate them.
