

Episode Forty-One - The Nature of the Mind and Spirit Is Complex; Sense is Not a Property of The Elements That Make Them, But An Event of Their Combination And Motions

Post by "Cassius" of October 25, 2020 at 1:44 PM

Episode Forty-One of the Lucretius Today Podcast is now available. Today we will cover roughly lines 258 through lines 357 from Book 3 of the Latin text, and we will discuss topics that include how the Nature of the Mind and Spirit Is Complex; that sense is Not a Property of The Elements That Make Them, But Rather an Event of Their Combination And Motions.

As always we invite your comments and suggestions.
