

Reverence and Awe In Epicurean Philosophy

Post by "Cassius" of October 26, 2020 at 6:11 AM

[Quote from Elayne](#)

As far as knowledge requiring 3 legs not in conflict... the feelings give us a different type of information than senses, so I am not sure they could ever conflict with sense knowledge.

Right -- that would be comparable to the point that the eyes don't contradict the nose, etc. The way I stated the issue there needs to be reworked.
