

# Reverence and Awe In Epicurean Philosophy

**Post by “Susan Hill” of October 27, 2020 at 10:08 AM**

Thank you for clarifying the file structure, Cassius. Maybe we only need two sub-forums, then - “Relevant Texts” and “Topics” (or something similar), and then all those other item headings would be thread titles under “Topics”. Does that make sense?

Where would that intro paragraph(s) go? I can have a shot at writing it, if you like. (Subject to editorial review.)
