

Reverence and Awe In Epicurean Philosophy

Post by “Susan Hill” of October 27, 2020 at 2:50 PM

[Quote from Don](#)

Check out the length of this dictionary entry for λόγος:

<http://www.perseus.tufts.edu/hopper/text?do...ntry%3Dlo%2Fgos>

Oh my gosh, that is insane. Well now we know if there is a word somebody doesn't like, we can just change it to λόγος and then they can pick their own flavour! Lol.

Do you know off the top of your head if Epicurus ever used it?
