

Thoughts on Reverence, Awe, and Epicurean Piety

Post by “Godfrey” of October 30, 2020 at 3:27 PM

Quote

For myself, I could even make a case for seeing divinity as desire, the drive for pleasure observed in all creatures with sufficient nervous systems to feel.

Elayne I'm with you on this and would enjoy hearing you make the case if you have the time or inclination. Much of my grasp comes intuitively; I always derive benefit from your science based approach.
