

Epicurean Prescriptions For Dealing With Troubled Times

The Mellow Californian to the rescue! 😊 Thanks - I needed that!

How about too:

"For Thou alone mankind with quiet peace canst bless; because 'tis Mars Armipotent that rules the bloody tumults of the war, and He by everlasting pains of love bound fast, tastes in Thy lap most sweet repose, turns back his smooth long neck, and views thy charms, and greedily sucks love at both his eyes. Supinely as he rests his very soul hangs on thy lips; this God dissolv'd in ease, in the soft moments when thy heavenly limbs cling round him, melting with eloquence caress, great Goddess, and implore a peace for Rome. For neither can I write with cheerful strains, in times so sad, nor can the noble House of Memmius desert the common good in such distress of things."
