Let's go ahead and pull the trigger and set this for 6 pm EST on Saturday. I'll sign on and be there no matter what. If we have enough people to proceed we'll do so, and if not we'll just chat about plans for moving forward. I am thinking 6 pm EST is consistent with Brett's 3-5 pm (given time zone issues) but if that doesn't work let's adjust the time to fit the most people. We probably won't have a large number this time, so we can work to accommodate those who can attend.
