

New Epicurean Twitter Account By TimRobbe!

Post by “timrobbe” of November 13, 2020 at 1:48 PM

[Cassius](#) would you be interested in a short interview with me on the basics of Epicureanism for a Dutch audience? I could facilitate a Zoom call, record it and publish it on the Twitter feed. We could do a 20 minute session or so in which you explain the basics and relevance for people in everyday life. Would be nice.
