

Responding To A Video Entitled: "Quantum Physics Debunks Materialism" - Collecting Arguments Against Anti-Epicurean Uses of Quantum Physics Theories

Post by "Susan Hill" of November 19, 2020 at 7:56 PM

Thank you, Cassius. It looks like all of the papers listed were written 1 to 11 years before this YouTube presentation. I don't think Penrose and Hameroff had been able to publish their experimental results before then. The issues raised seem to be addressed in the presentation, but I would be interested if you find anything else of this nature.

It's a long presentation, so I understand if people give it a miss!
