

# Epicurean Knowledge

You're definitely correct, but I am not sure it makes sense to "move" those comments here since they re mixed in to the larger discussion of the SOE Tenets.

Maybe it works to provide this link to where the main exchange on knowledge starts?  
[Discussion of the Society of Epicurus' 20 Tenets of 12/21/19](#)

I think that's probably the right post (let me know, or post another link, if not)

And then maybe it might make sense to continue that part of the discussion here.....

Ok I checked and I can try to "copy" into new category. Let me see if that works...

OK: I have copied those posts and they are now at the following link. It would be best if continuation of this epistemology issue continued here: [Exchange On Knowledge From January 2020](#)
