Thanks to Nate for all the recent meme additions. These are great for sharing on social media. Just in case newer readers don't realize it, Nate also did the [Nate's "Allegory of the Oasis" Graphic](#) which we've featured on the front page of the forum for several years now. Thanks Nate!

Wow I missed that Donald Robertson article on "Why the Military Should Teach Stoicism." Didn't know that was out there -

Thanks, [Cassius!](#)

That meme in particular made me laugh because I needed an egregiously pro-Stoic headline for comedic juxtaposition and I thought it was fitting that Donald Robertson not only wrote this, but published it within the last few months.

It was only after capturing it that I realized **he** wrote it. I can always count on Donald for new material. 😊

[Cassius](#) I was about to upload more when I received a storage limit error. The files, themselves, are small, and I deleted some duplicate images to save storage space. Is there a Trash Can somewhere that needs to be emptied?

You have exceeded your storage limit and cannot upload new images. You must delete existing images to free up some space. X

Nate - Check now and see if you still have the same problem. I think you probably won't, but let me know.
