I found this meme and I thought it could have a place here somewhere but I couldn't find where in the gallery it would have the best fit.

I would suggest just put it in the "General" category at least for now. Do you know how to do that? Why don't you try so you can learn, in case you come across others to submit. Thanks!

Alright. All of those seemed to be a bit more on the serious side so I wasn't sure, but I'll do it. Thanks!

Perhaps we need a "humorous" section, but many of those we're posting are humorous / sarcastic, so that would be a hard split. You're probably just noticing lately that Nate has been going through the [Principal Doctrines](#), so the recent ones are skewed toward the serious side.
