I wanted to plug this old video I narrated, written by Cassius and translated by Elli.

This is such a beautiful video, well made. He needs more translations, into French, Spanish...I am starting a Dutch translation. It will be my next work.

Is there an original English text I can work with?

i am sure it exists somewhere, along with a video without the Greek subtitles. Matt do you have it readily findable? If not I will look and find it.

No unfortunately, I only know of the Greek subtitled version now. It would be great if the original can be found.

OK I will find both the unsubbed video, and the text, and report back here.
