If you don't understand look the speaker up, I'm sure there must be something in English, as it seems this is her main topic of research and also that she's keen on making her research very digestible.

Hope you enjoy.

very digestible.

Or "very pleasant smelling" to stay with the theme 😊

Very interesting. It's looks like her work also includes research on the brain and mindfulness as well as the effect of emotion. Definitely want to explore.

It's like like it might be possible to run the you tube transcript through Google translate. Not the best option, but I'll explore later (unless
