

RSS Feeds Added to Home Page

If you use an RSS reader to follow your favorite sites, please check the new entry on the right side of the Home page for a list of all the RSS feeds available at EpicureanFriends. If you are registered member the preferred method of subscribing is to go to the RSS icon at the top right of the Forum, the Gallery, the FileBase, and the Articles section, and use those RSS icons to subscribe. That way you get an individualized RSS feed with your personal permissions preserved. But the "public" RSS feeds work just fine for most uses, so if you use RSS, be sure to subscribe.
