[Meet the Ultimate Hedonist](#)

Aristippus was far more radical than the more famous Epicurus.

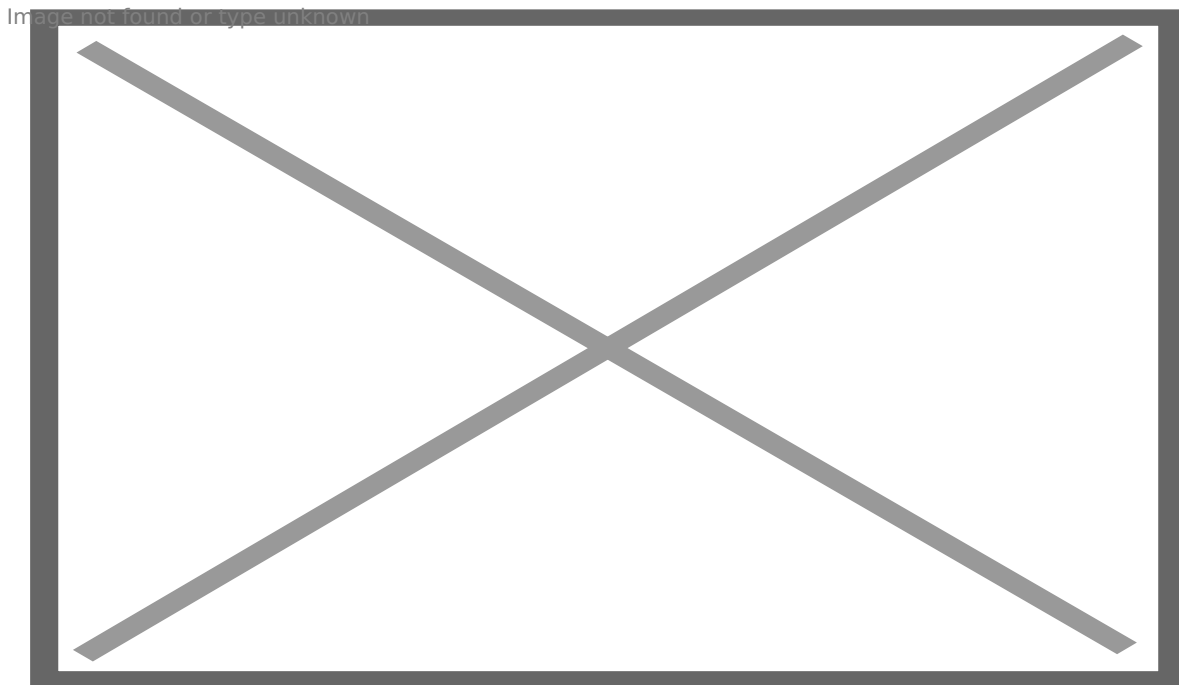

www.psychologytoday.com

It probably makes sense to keep tabs on this sort of thing, especially when mention of Hegesias the "Death-Persuader" is mentioned in line with our somewhat recent discussions on that subject.

A thread on that is [Here](#). This new article isn't going to break any new ground, and little common ground either since the author is a psychiatrist who has also written a book on Stoicism.

His article on Epicureanism is [Here](#).
