

Website - "Piecing Together Diogenes of Oinoanda"

Post by "Cassius" of September 1, 2023 at 8:24 AM

Looks to have a significant amount of good material:

[Piecing Together Diogenes of Oinoanda](#)

Diogenes was an Epicurean Greek from the 2nd century AD who carved a summary of the philosophy of Epicurus onto a portico wall in the ancient city of Oenoanda...

You can view a modelling of the architecture, which shows it was a stoa:

[Reconstructing the Stoa of Diogenes](#)

A most desirable course of action would be a restoration of the stoa and installation of the Inscription on site. The Stoa of Attalos (pic...
