

Article: Does Neutral Affect Exist?

Post by “Kalosyni” of October 14, 2023 at 8:19 AM

This article brings up some interesting ideas in modern psychology, which may be helpful for thinking about "two feelings: pleasure and pain". The article talks about neutral affect (a long article and haven't read it all yet).

[Does Neutral Affect Exist? How Challenging Three Beliefs About Neutral Affect Can Advance Affective Research](#)

Researchers interested in affect have often questioned the existence of neutral affective states. In this paper, we review and challenge three beliefs that...
