

Horace's Birthday (December 8)

Post by "Cassius" of December 8, 2023 at 5:42 AM

Joshua has commented that today (December 🕶️ is Horace's Birthday:

Post by "Don" of December 8, 2023 at 7:00 AM

Somehow the autocorrect of 8 and) to 🕶️ seems to work for mention of Horace.

To honor the poet, here's a link again to Natalie Haynes ' episode:
