Happy Twentieth!

Happy Twentieth!

Here is a paraphrasing regarding gratitude, taken from Vatican Saying 17 and section 133 from the Letter to Menoecus: Do not stumble around as if you are of many minds, but instead enter the harbor of gratitude because you are now sure of the good things that bring happiness.

...and Happy Thanksgiving to all! 😊

Happy 20th!

I've always thought of (US) Thanksgiving as the Epicureanest of traditional holidays with the Founder's emphasis on gratitude.
