

Oenoanda fragments

Post by “TauPhi” of January 9, 2025 at 12:55 PM

Some fragments from Oenoanda dealing with why gods didn't create the world; Dead Sea argument (probably the most interesting part as it doesn't appear in Epicurus' writings known to us); severe pain leading to death; nature of pleasure; natural phenomena like thunderbolts and earthquakes and few other bits and pieces.

[More new fragments of Diogenes of Oenoanda](#)
