Hi Everyone! For our upcoming First Monday Epicurean Philosophy Discussion, coming up next Monday night...

the discussion topic is "Thomas Jefferson's Epicurean Outline".

Here is some reading material, which is optional, yet may enhance your participation. We will present the material at the meeting as well:

[On The Organization Of Thomas Jefferson’s Summary of the Philosophy of Epicurus - NewEpicurean](#)

On that webpage you can find the specific section of the letter that we will be discussing, as well as a link to the full letter.

And for those who may enjoy seeing the actual image of the letter you can find that here:

https://www.loc.gov/resource/mtj1.051_0891_0894/?sp=4

We will be sure to leave time for meet-and-greet as well as answer any questions - so this meeting is especially suitable to for new members.

Please see previous post above for those who are new and wish to attend.

Hope to see you there!
