Hi Everyone!

On the first Monday of each month, is our "meet-and-greet" and Epicurean philosophy discussion - open to all forum members!

How to attend: Please let us know if you are interested in attending by posting here in this thread, in your welcome thread, or messaging Cassius or Kalosyni. You will then be added to our private group message with the link. (Level 01 members must first be approved by the moderator team).

Previous attendees will automatically receive the link via private message (no need to RSVP). If you have been absent from the forum for more than six months, please let us know so we can add you back into the private group message.

We will send out the link and a reminder about the meeting on the day before.

Our monthly agenda:

- Round the table greetings.
- Discussion on an Epicurean philosophy discussion topic, popular forum threads, and the Lucretius Today Podcast - we will go round the table giving everyone an opportunity for participation.
- Time for answering any questions about the forum or Epicurean philosophy.

Looking forward to seeing you there! 😊
