

New Translation of Epicurus' Works

Post by “Eikadistes” of June 16, 2025 at 3:50 PM

Greetings, friends!

I'm just noting for my own, future reference locations at which I have uploaded a translation:

[Academia](#)

[On EpicureanFriends](#)

[Society of Friends of Epicurus](#)

I'll make primary updates on [_twentiers.com/biography](https://www.twentiers.com/biography), but I've uploaded static copies elsewhere.

Nothing new lately. I hope everyone is well.
