**[After I Identify Pleasure As The Focus of Life, Which Pleasures Should I Pursue? \(FAQ Entry Discussion\)](#)**

This is a first draft of an entry on this topic for the FAQ section.

I consider the heart of what needs expansion not to be the discussion of natural and necessary, but - *after we have obtained what is necessary, and once we have identified that unnatural desires have no limit and should not be pursued* - how we personally answer the question of how to decide from among the options that that are available to us.

We hitting in other places and will establish elsewhere that (1) pleasure IS the...
