

New Decision Tree: Are You On Team Epicurus?

Post by "Cassius" of February 16, 2026 at 7:02 PM

I've prepared a new page to make it easier for browsers of the page to identify to what extent they fit with Epicurean Philosophy. This is a first draft which will change, but it's already in usable form. This stems primarily from the recent material we've been covering on the podcast which stresses the difference between Epicurus and the Socratic philosophers as to the role of natural science, so that's question one on this tree:
